

# OUR WORK

CASSELS BROCK

PROVIDING YOU THE BEST POSSIBLE HELP,  
TO ACHIEVE THE BEST POSSIBLE OUTCOME.

What you need to know about personal injury compensation.

BRAIN INJURY	MEDICAL MALPRACTICE	MOTOR VEHICLE ACCIDENTS	WRONGFUL DEATH	SPINAL CORD INJURY	SERIOUS CHILD INJURIES	NON-CATASTROPHIC INJURIES
--------------	---------------------	-------------------------	----------------	--------------------	------------------------	---------------------------

and because the work on a client's case is done on a contingency fee basis, no payment is required if no compensation is awarded. During the first meeting, a complete explanation about the legal fees that could apply is provided.

#### FINDING THE RIGHT LAWYER

**Who is the right lawyer?**

A serious personal injury is an overwhelming and devastating experience both physically and emotionally. Receiving the right legal advice and professional support can make all the difference. You need an expert with one focus - ensuring you receive the support you require and the compensation that you're entitled to.

Personal injury expert Michael Shannon and the Cassels Brock team can help every step of the way. With an impressive track record of successful settlements, Michael brings over 25 years of experience, expertise and compassion to every case.

With 100% of his practice being devoted to personal injury litigation, and with access to the extensive resources of Cassels Brock & Blackwell LLP, Michael is capable and committed to achieving the best possible outcome for clients during a painful and difficult time.
